BALANCE SHEET PER ACADEMIC YEAR	
<b>TOTAL RESOURCES:</b>	
<b>TOTAL EDUCATION EXPENSES:</b>	
<b>TOTAL LIVING EXPENSES:</b>	
<b>MY IN-SCHOOL BUDGET BALANCE:</b>	

Enter section totals from column on left. Subtract total education/living expenses from your total resources. A negative balance is an indicator of what you may need to borrow to meet your expenses while in school. Consider revising your expenses or increasing your income to balance or reduce the amount you may need to borrow.

Revised as of August 2021
