Before submitting:

- ✓ To earn a Pro Bono Certificate, 1Ls must complete 10 hours of qualifying pro bono service and 2Ls and 3Ls must complete 20 hours of qualifying service.
- ✓ The program defines pro bono broadly to include service activities performed without compensation (including compensation from a firm or company when doing pro bono work on their behalf) for the public good, whether or not the work performed is law-related. Pro bono hours may include work that is performed on behalf of government organizations or 501(c)(3) non-profit organizations to 1) benefit persons of limited means, or 2) to improve community access to the legal justice system. Participation in credit-granting activities, including work done as part of an externship course, practicum, or clinic, or volunteer work done for points for students seeking membership in the Board of Advocates, will not count as pro bono hours. However, hours completed in excess of the requirements of clinics, practicum or externships may count.
- ✓ Fundraising activities will not count as pro bono hours under the Pro Bono Program.
- ✓ You may log hours completed between the first day of orientation in the fall through the day before the first day of orientation for the following school year. **HOURS/WORK MUST BE LISTED FOR EACH DAY.**
- ✓ Contact Sarah Reesman, reesmans@missouri.edu, if you have any questions.
